## **New Newsletter Team!**

Hello this is Mohamed A, Mohamed S, and Kaltuma your 2010 season Newsletter team. We are excited to keep you informed on all the things we do monthly. We have been so busy! We worked very hard over our spring break and we have been able to plant all of our host homes with cool season crops like potatoes, beets, carrots, onions, peas, and leeks!

We also had a site visit from the Chinook Fund, where we applied for a grant. We really hope they approve it. The grant will help us get organized and help us grow. We will find out in June, so we will let you know as soon as we know.

In May we will be planting all our warm season crops. We have started many tomatoes and peppers. We counted 144 peppers, and we will donate the extras to our friends and families.

### **Who's Your Farmer?**

Every month we will profile one of our hardworking farmers, this month meet Mohamed Aziz.

Mohamed was chosen this month because he is going to *GRADUALTE FROM SOUTH HIGH SCHOOL!!!* He will be attending the Community College of Denver in the fall. We are all so proud and happy for him, he has worked very hard and never gave up on his education!!! GREAT JOB MOHAMED!

*Why do you want to be in Growing Colorado Kids?* I like farming and growing things. I like to meet new people and we meet a lot of new people who are so nice to us in Growing Colorado Kids.

*What skills do you have in farming?* I have great skills in digging and planting all kinds of things.

*What else do you want us to know about you?* I am graduating from High School in a few weeks. I want to go to college and want to study to be a lawyer one day. I want to be a lawyer for small community groups and non profits that help others.

**PLEASE DONATE OR VOLUNTEER TO HELP US GROW!**
